RE: Johnson & Johnson PAC Amended February Monthly Report, Received 3/18/2011

Dear Mr. Vuong:

We are submitting this Form 99 in response to your letter dated July 6, 2011, wherein you requested more information regarding Johnson & Johnson Political Action Committee's (Johnson & Johnson PAC) amended 2011 February Monthly Report, filed on March 18, 2011. In particular, you requested clarifying information regarding the report's substantial increase in the amount of receipts and disbursements from those disclosed on the original report.

Due to a technical glitch in our PAC reporting software, we were unable to populate the February monthly report with the January receipt and contribution information prior to the report's February 20, 2011 deadline. Once the problem was identified and corrected, we submitted an amended report on March 18, 2011, prior to filing our March monthly report. There was never any intention on our part to not disclose Johnson & Johnson PAC's January activity in a timely manner.

If you have any questions or require more information, please feel free to contact me at (732) 524-3074.

Best regards,
Donald W. Bohn, Treasurer
